

Quilt Stands

Queensland Quilters have metal gates/frames and wooden stands for hire.

Metal gates (see Fig 1) consist of a metal mesh frame approximately 1600 mm high by 1200 mm wide supported by a pair of metal legs. The gates have a male and female version and for stability they must be erected in pairs as in Fig 1. A unit is one frame and two legs.

Fig 1 - metal gates

Wooden stands

The wooden stands come in several versions:

The majority of our wooden stands are adjustable from 1900 mm up to 2800 mm (see Fig 2).

Some are fixed at 1800 mm, some are fixed at 1900 mm and some are fixed at 2600 mm.

A wooden stand unit consists of two uprights and two rods as in Fig 2.

Fig 2 - wooden stand

When planning your quilt show, be aware that the stands can be placed in a line as in Fig 3. So two complete stands plus two extra rods will hang six quilts. See Fig 4 for detail of the rod arrangement.

Fig 4 – detail of top of stands

We have a large number of rods in lengths up to 3000 mm.

Hire Charges:

A deposit of \$100.00 is required prior to collecting wooden stands or metal gates.

	Cost per hiring per unit
Metal gates	\$5.50
Wooden stands	\$5.50
Extra rods over 5 feet	\$1.10
Extra rods under 5 feet	\$0.55

All prices include GST.

Any hiring will include at least one pair of lifting prongs.

The quilts stands are stored in a storage shed in Kedron. Collection of the stands and transport from the shed and back to the shed are the responsibility of the hirer. Several carriers can be recommended.

Stands need to be collected at a time that is suitable for both parties
